2.- To approve the proposed application of earnings of Banco Bilbao Vizcaya Argentaria, S.A. corresponding to 2008, to the sum of €2,835,167,855.16 (two billion, eight-hundred-and-thirty-five million, one-hundred-and-sixty-seven thousand, eight hundred and fifty-five euros sixteen cents), distributed in the following manner:

This sum for dividend pay-out has already been distributed as the first, second and third interim dividends against 2008 accounts, such that the resolutions adopted by the Bank's board of directors under which said interim amounts were paid out on 24th June, 24th September and 22nd December are hereby ratified.

WARNING: The English version is only a translation of the original in Spanish for information purposes. In case of a discrepancy, the Spanish original prevails.

2.2 The rest of the Banco Bilbao Vizcaya Argentaria, S.A. 2008 earnings, ie, the sum of €957,435,325.53 (nine-hundred-and-fifty-seven million, four-hundred-and-thirty-five thousand, three hundred and twenty-five euros, fifty-three cents) will be allocated to the entity's voluntary reserves.

3.- To approve the management of the board of directors of the Banco Bilbao Vizcaya Argentaria, S.A. in 2008.

4.- To empower the chairman, Mr Francisco González Rodríguez, the company secretary, Mr José Maldonado Ramos, and the company deputy-secretary, Mr Domingo Armengol Calvo, severally, to deposit the financial statements, management reports and auditors' reports for the Bank and its consolidated Group, and to issue the certificated referred to in articles 218 of the Companies Act and 366 of the Company Registry regulations.

Second resolution.-

2.1.- To include a new article 53.b in the Banco Bilbao Vizcaya Argentaria, S.A. bylaws, which will read as follows:

“Article 53.b

The AGM may resolve the distribution of dividends (either charged against the year's earnings or against unrestricted reserves) and/or of the share premium, in kind, provided that the goods or securities being distributed are standardised and sufficiently liquid or susceptible to liquidation. Such condition will be presumed met when securities are listed or are going to be listed for trading on a regulated market.

The regulation in the previous paragraph will also be applicable to the return of contributions in the event of a reduction in share capital.”

This amendment to the bylaws must first obtain any authorisation that may be demandable under prevailing laws and/or regulations. The board of directors is expressly delegated the broadest most efficient powers possible at law to obtain said authorisations and/or any others that may be required to implement and effect the preceding resolutions. Said powers may be passed on totally or in part to the Executive committee and/or any of the directors.

2.2.- To approve a shareholder remuneration to supplement the 2008 dividend consisting in the pay-out in kind of part of the share premium reserve, by delivering Banco Bilbao Vizcaya Argentaria, S.A. shareholders treasury-stock shares representing the Company's share capital, in the proportion of **one** (1) share for each sixty-two shares in circulation.

The maximum number of shares deliverable will, therefore, be sixty million, four-hundred-and-fifty-one thousand, one hundred and fifteen (60,451,115) shares from the Banco Bilbao Vizcaya Argentaria, S.A. treasury stock.

The transaction will charge against the share premium account a sum equivalent to the result of valuing each deliverable share at the average weighted price of the Banco Bilbao Vizcaya Argentaria, S.A. share on the continuous market in Spain (Sistema de Interconexión Bursátil Español) on the trading day immediately prior to holding the Annual General Meeting of shareholders that approves this resolution (the "**Benchmark Value**"). The maximum price will be such that the charge against the share premium account cannot exceed the total balance on said account.

The right to receive this payout in kind, as agreed, will accrue in favour of those who, when the markets close on 9th April 2009, (the "**Date of Determination**"), appear as holders of Banco Bilbao Vizcaya Argentaria, S.A. shares on the accounting records of the participating entities of IBERCLEAR (Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.). The shares will be delivered as of 20th April 2009, through the systems and mechanisms established by IBERCLEAR.

The Company, acting as agent bank for these purposes, will coordinate and take the necessary and simply advisable measures and transactions with IBERCLEAR and its participating entities to instrument this pay-out in kind under the terms and conditions established herein and those that the Banco Bilbao Vizcaya Argentaria, S.A. board of directors may resolve, where applicable.

Additionally, it is hereby resolved to establish the mechanism to facilitate the payout to those shareholders that, on the Determination Date, own a number of shares surpassing a multiple of sixty-two or that does not reach said figure of sixty-two (the shares that, in the first case, constitute the excess or, in the second, constitute the shortfall, will be called the "**Remainder**"):

(i) As of 20th April 2009 Banco Bilbao Vizcaya Argentaria, S.A., through IBERCLEAR and its participating entities, will deliver to shareholders that are duly legitimated the full number of shares due by virtue of the exact swap ratio of one (1) share for each sixty-two (62) shares that they own.

(ii) Given that, by applying the aforementioned swap ratio to the Remainders would mean that shareholders would be entitled not to an entire Banco Bilbao Vizcaya Argentaria, S.A. share but the equivalent of a fraction thereof (the result of dividing the Surplus by sixty-two, hereinafter the "**Fraction**"), a system will be established for "Fraction" settlement. It is understood that all Banco Bilbao Vizcaya Argentaria, S.A. shareholders will be included in this settlement without needing to issue express instructions. Said system will mean settling the Fractions by paying out a cash sum equivalent to the Fraction value.

<p>WARNING: The English version is only a translation of the original in Spanish for information purposes. In case of a discrepancy, the Spanish original prevails.</p>

(iii) To such end, the value of the Fractions will be determined as a function of the Benchmark Value, such that the amount payable for each Fraction will be the result of multiplying said Benchmark Value by the Fraction, rounding the result to the closest euro-cent.

Banco Bilbao Vizcaya Argentaria, S.A. will publicly disclose said Benchmark Value by filing a relevant event.

All amounts referred to above are gross, such that all withholdings and interim payments payable by law shall be to each shareholder's account. Likewise, any fees or expenses that this distribution could incur for the IBERCLEAR participating entities or the depositary entities, under prevailing legislation, will be payable by the shareholders. Nonetheless, Banco Bilbao Vizcaya Argentaria, S.A. will not charge any fee to shareholders whose shares are deposited in BBVA Group and are beneficiaries of this transaction.

All powers necessary to implement this resolution are conferred on the board of directors, with express powers to substitute itself through the Executive committee or the director(s) it deems pertinent or any other person to whom the board of directors may grant direct proxy for such purpose. These powers include the development of the procedure established, and the powers needed or advisable to carry out any arrangements and proceedings that may be required for the success of the transaction.

Third resolution.-

1.- To approve the merger plan subscribed by the directors of Banco Bilbao Vizcaya Argentaria, S.A., 27th January 2009, and by the directors of the companies, Banco de Crédito Local de España, S.A. (Unipersonal) and BBVA Factoring E.F.C., S.A. (Unipersonal), 26th January 2009, deposited in the Companies Registries of Vizcaya, Madrid and Barcelona.

(Unipersonal) by Banco Bilbao Vizcaya Argentaria, S.A., winding up but not liquidating the first two companies and making a block transfer under universal succession of their assets to Banco Bilbao Vizcaya Argentaria, S.A. All the rights and obligations of the wound-up companies, in general and without any reservation or limitation, will be subrogated to the absorbing company in compliance with the Companies Act.

The merger is expressly conditional on obtaining due authorisation from the Ministry of Finance pursuant to article 45.c) of the Banking Act, 31st December 1946, and other concordant legislation.

The absorbed companies are fully and directly owned by Banco Bilbao Vizcaya Argentaria, S.A. Consequently, pursuant to article 250 of the Companies Act, the merger, as envisaged in the merger plan, will not entail any increase in the capital of the absorbing company, nor is any kind of swap of shares and securities planned.

<p>WARNING: The English version is only a translation of the original in Spanish for information purposes. In case of a discrepancy, the Spanish original prevails.</p>

It approved the regulations of the plan, which were filed as a relevant event, 21st April 2006; it resolved to amend the composition of the bank peer group in the light of corporate activities affecting it, adjusting the plan's coefficients downwards so that no distortions were brought into its implementation; and given that BBVA at the end of the plan ranked as the bank with the third highest TSR (total shareholders' return) over the period from 1st January 2006 to 31st December 2008 in comparison with its European peer banks, such that the multiplier established for third ranking, ie, 1.42, had to be applied to the number of theoretical shares allocated to each of the beneficiaries, it approved the settlement of the 2006-2008 long-term share-remuneration plan, determining that the number of Banco Bilbao Vizcaya Argentaria, S.A. shares deliverable to each of the executive directors and to the rest of the members sitting on the Management at 31st December 2008, was as follows:

The number of BBVA shares to be given to each beneficiary at the end of the Programme, should the conditions established be met, will be determined by multiplying the number of units assigned by a ratio of between 0 and 2, as a function of the comparative performance of the Bank's TSR (total shareholders' return, ie, revaluation of the share plus dividends) during the Programme against the TSR of 18 European peer banks.

The peer banks are:

- (c) **Duration:** The Programme will come into force on 15th April 2009, ending 31st December 2010, and will be settled before 15th April 2011, without detriment to the possibility of anticipated settlement that may be established in the ramification of this resolution.

WARNING: The English version is only a translation of the original in Spanish for information purposes. In case of a discrepancy, the Spanish original prevails.

- (d) **The maximum number of Banco Bilbao Vizcaya Argentaria, S.A. shares included in the Programme for Variable Remuneration in Shares:** The maximum number of Banco Bilbao Vizcaya Argentaria, S.A. shares included in the Programme for Variable Remuneration in Shares is 15m ordinary shares, representing 0.40% of the current Banco Bilbao Vizcaya Argentaria, S.A. share capital. Of this number, a maximum of 930,000 ordinary shares (representing 0.025% of the share capital) may be earmarked for executive directors and 1,700,000 ordinary shares (representing 0.045% of the share capital) may be earmarked for other members of the Management committee other than the executive directors.
- (e) **Coverage:** The Company may put shares that comprise or come to comprise its treasury stock into covering the Programme for Variable Remuneration in Shares or it may use any other suitable financial instrument that the Company may determine for such purpose.
