RESOLUTIONS UNDER AGENDA ITEM FOUR

4.1 Increase the share capital by issuance of new ordinary shares each with a nominal value of €0.49, without an issue premium and of the same class and series as the shares currently outstanding, to be charged to voluntary reserves. Possibility of undersubscription. Commitment to purchase shareholder's free allocation rights at a guaranteed price. Request for listing. Conferral of powers.

- 1. Increase of share capital to be charged to reserves.-** It is resolved to increase the share capital of Banco Bilbao Vizcaya Argentaria S.A. ("**BBVA**", the "**Company**" or the "**Bank**"), to be charged to voluntary reserves by an amount calculated by multiplying (a) the number of new shares to be issued as determined by the formula below, by (b) €0.49 (the nominal value of an ordinary BBVA share). The capital increase will be achieved by issuing new ordinary shares of the Company of the same class and series and with the same rights as those currently outstanding, each with a nominal value of €0.49, represented by book-entries, for free allocation to the Bank's shareholders.

The possibility of incomplete subscription of the capital increase is expressly provided for as required by article 311 of the Corporate Enterprises Act. If the issue is undersubscribed, the share capital increase will be for the amount actually subscribed.

The number of new ordinary shares to be issued will be the outcome of the following formula, rounding down to the next whole number:

$$\frac{NOS}{NAR}$$

Where:

NOS (number of old shares) is the total number of BBVA shares, in which the share capital is divided on the date of the resolution to implement the capital increase; and

NAR (number of allocation rights) is the number of rights of free allocation necessary to be assigned one new share. This will be determined by the following formula, rounding up to the next whole number:

$$NAR = RP \times NOS / RMV$$

Where:

RP (reference price) is the reference trading price of BBVA's shares for the purpose of the present capital increase. This will be the arithmetic mean of the average weighted price of BBVA shares traded on the Spanish SIBE electronic trading platform over five (5) trading days prior to the date of the resolution to implement the capital increase, rounded off to the nearest one-thousandth of a euro. In the event of a half of one-thousandth of a euro, this

will be rounded up to the nearest one-thousandth. In no event can the RP be less than the nominal value of the Company's shares. Therefore, if the result of the calculation is less than €0.49, the RP will be €0.49.

RMV is the maximum reference market value of the capital increase, which cannot exceed €900,000,000.

2. **Reference balance sheet.-** According to article 303 of the Corporate Enterprises Act the balance sheet to be used as the basis of the transaction is that of 31st December 2014, duly approved by the Bank's auditor and by this General Shareholders' Meeting under its agenda item one.
3. **Reserves used.-** The capital increase will be wholly charged against voluntary reserves, which at 31st December 2014 stood at €6,783,835,974.33.
4. **Right of free allocation.-** All the Bank's shareholders will have the right to free allocation of the new shares. Every share will convey one right of free allocation.

A certain number of rights (NDA) will be necessary to receive one new share. In order to ensure that all free allocation rights can be effectively exercised and the number of new shares will be a whole number, BBVA or a Group subsidiary will waive the corresponding number of its free allocation rights to which they would have been entitled.

5. **Assignment and transferability of rights of free allocation.-** The rights of free allocation will be assigned to BBVA shareholders who are accredited as such in the accounting records of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores S.A.U. (IBERCLEAR) at the end of the day of the publication of the capital increase announcement in the Official Gazette of the Companies Registry (BORME).

The free allocation rights of the new shares will be transferrable under the same conditions as the shares from which they derive and may be traded on the market during the period determined in accordance with article 503 of the Corporate Enterprises Act.

At the end of the trading period for the free allocation rights, new shares that cannot be assigned will be held in deposit and made available to whoever can evidence its lawful ownership. After three years, any new shares that are still pending allocation can be sold in accordance with article 117 of the Corporate Enterprises Act acting without liability on behalf of the interested parties. The net amount of such sale shall be held available to the parties concerned in the manner established by applicable legislation.

6. **Commitment to purchase the rights of free allocation.-** BBVA will undertake to purchase the rights of free allocation, complying strictly with any legal limitations, exclusively to the shareholders of BBVA who have such

condition at the time the free allotment rights are allocated and only in connection with the free allotment rights which are originally allocated to them at such time; accordingly, this option will not be available in respect of any free allotment right acquired through a market purchase.

The price at which BBVA will undertake to acquire each right of free allocation will be calculated by the following formula (rounding off to the closest one-thousandth of a euro and, in the event of a half of a thousandth of a euro, by rounding up to the next whole thousandth):

$$\frac{RP}{(NAR + 1)}$$

BBVA's commitment to acquire rights of free allocation at the price resulting from the aforementioned formula, will remain in force and would be exercised by the shareholders during the trading period for such rights (described in section 5 above).

For this purpose it is agreed to authorise the Bank to acquire such rights of free allocation up to a maximum of the total rights issued, always complying with the legal applicable limits.

- 7. Form and rights of the new shares.-** The new shares will be represented by book entries, and the books will be managed by Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (IBERCLEAR) and its participating entities. The new shares will confer on their holders the same rights as the rest of BBVA's ordinary shares.
- 8. Listing.-** It is resolved to apply for listing of the new shares on the securities exchanges in Madrid, Barcelona, Bilbao and Valencia via the Spanish SIBE electronic trading platform. This also applies to the arrangements and documents required for listing on the foreign securities exchanges where BBVA's shares are traded at time of issue: currently London and Mexico, and via ADS's (American Depository Shares), on the securities markets of New York and also on the Lima Stock Exchange, due to the interchange agreement between both markets. These arrangements also apply to the new shares issued as a consequence of the capital increase and BBVA expressly agrees to be bound by present and future rules of these markets, especially regarding contracts, listing and delisting for the official trading system.

For this purpose, authority is conferred on the Board of Directors and the Executive Committee, with express powers of substitution in both cases so that, once this resolution has been adopted, they can make the corresponding applications, draw up and present any appropriate documents in the terms they consider necessary and appropriate, and take any measures that may be needed for such purpose.

For legal purposes it is hereby expressly stated that should a request be made subsequently to delist BBVA's shares, the Bank will comply with all the formalities required by applicable legislation. It will also guarantee the interests of shareholders who oppose this or who do not vote for delisting, thereby satisfying the requirements of the Corporate Enterprises Act, of the Securities Exchange Act and of other similar or supplementary regulations.

- 9. Execution of the resolution and conferral of authority.-** It is resolved to confer authority on the Board of Directors, pursuant to article 297.1.a) of the Corporate Enterprises Act and article 30.c) of the Company Bylaws, empowering it to delegate this authority on the Executive Committee with express powers to delegate it in turn; on the Chairman of the Board of Directors; on the President & COO; on any other Company director; and empower any proxy of the Company to set the date on which the resolution to increase capital will be carried out that will be determined by observing the provisions of this resolution, within one (1) year of from the date of this resolution and to determine the new wording applicable to article 5 of the Company Bylaws regarding the total amount of share capital and the number of shares comprising it.

Likewise, it is resolved to confer authority on the Board of Directors, also pursuant to article 297.1.a) of the Corporate Enterprises Act and also empowering it to delegate the authority on the Executive Committee, with express faculties to delegate it in turn; on the Chairman of the Board of Directors; on the President & COO; on any other Company director; and empower any proxy of the Company to establish the conditions of the capital increase insofar as these are not covered in the foregoing sections and in particular, on the following list which does not constitute a limitation or restriction of any kind:

- (ii) To determine the final amount of the capital increase, the number of new shares, the market reference value (up to a maximum of €900,000,000), the number of rights of free allocation necessary to receive one new share in accordance with the provisions established in previous sections.

- (xi) To carry out any action, declaration or negotiation with the CNMV (securities exchange authority), with the Bank of Spain, with the European Central Bank, with the governing bodies of the securities exchanges, with Sociedad de Bolsas, S.A., IBERCLEAR, , and with any other organisation, entity or register, whether public or private, Spanish or non-Spanish, to obtain (if necessary or advisable) the authorisation, verification and subsequent execution of the issue and the listing of the new shares.

purchase shareholder's free allocation rights at a guaranteed price. Request for listing. Conferral of powers.

- 1. Increase of share capital to be charged to reserves.-** It is resolved to increase the share capital of Banco Bilbao Vizcaya Argentaria S.A. ("**BBVA**", the "**Company**" or the "**Bank**"), to be charged to voluntary reserves by an amount calculated by multiplying (a) the number of new shares to be issued as determined by the formula below, by (b) €0.49 (the nominal value of an ordinary BBVA share). The capital increase will be achieved by issuing new ordinary shares of the Company of the same class and series and with the same rights as those currently outstanding, each with a nominal value of €0.49, represented by book-entries, for free allocation to the Bank's shareholders.

The possibility of incomplete subscription of the capital increase is expressly provided for as required by article 311 of the Corporate Enterprises Act. If the issue is undersubscribed, the share capital increase will be for the amount actually subscribed.

The number of new ordinary shares to be issued will be the outcome of the following formula, rounding down to the next whole number:

$$\text{NOS} / \text{NAR}$$

Where:

NOS (number of old shares) is the total number of BBVA shares, in which the share capital is divided on the date of the resolution to implement the capital increase; and

NAR (number of allocation rights) is the number of rights of free allocation necessary to be assigned one new share. This will be determined by the following formula, rounding up to the next whole number:

$$\text{NAR} = \text{RP} \times \text{NOS} / \text{RMV}$$

Where:

RP (reference price) is the reference trading price of BBVA's shares for the purpose of the present capital increase. This will be the arithmetic mean of the average weighted price of BBVA shares traded on the Spanish SIBE electronic trading platform over five (5) trading days prior to the date of the resolution to implement the capital increase, rounded off to the nearest one-thousandth of a euro. In the event of a half of one-thousandth of a euro, this will be rounded up to the nearest one-thousandth. In no event can the RP be less than the nominal value of the Company's shares. Therefore, if the result of the calculation is less than €0.49, the RP will be €0.49.

RMV is the maximum reference market value of the capital increase, which cannot exceed €700,000,000.

2. **Reference balance sheet.**- According to article 303 of the Corporate Enterprises Act the balance sheet to be used as the basis of the transaction is that of 31st December 2014, duly approved by the Bank's auditor and by this General Shareholders' Meeting under its agenda item one.
3. **Reserves used.**- The capital increase will be wholly charged against voluntary reserves, which at 31st December 2014 stood at €6,783,835,974.33.
4. **Right of free allocation.**- All the Bank's shareholders will have the right to free allocation of the new shares. Every share will convey one right of free allocation.

A certain number of rights (NDA) will be necessary to receive one new share. In order to ensure that all free allocation rights can be effectively exercised and the number of new shares will be a whole number, BBVA or a Group subsidiary will waive the corresponding number of its free allocation rights to which they would have been entitled.

5. **Assignment and transferability of rights of free allocation.**- The rights of free allocation will be assigned to BBVA shareholders who are accredited as such in the accounting records of Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores S.A.U. (IBERCLEAR) at the end of the day of the publication of the capital increase announcement in the Official Gazette of the Companies Registry (BORME).

The free allocation rights of the new shares will be transferrable under the same conditions as the shares from which they derive and may be traded on the market during the period determined in accordance with article 503 of the Corporate Enterprises Act.

At the end of the trading period for the free allocation rights, new shares that cannot be assigned will be held in deposit and made available to whoever can evidence its lawful ownership. After three years, any new shares that are still pending allocation can be sold in accordance with article 117 of the Corporate Enterprises Act acting without liability on behalf of the interested parties. The net amount of such sale shall be held available to the parties concerned in the manner established by applicable legislation.

6. **Commitment to purchase the rights of free allocation.**- BBVA will undertake to purchase the rights of free allocation, complying strictly with any legal limitations, exclusively to the shareholders of BBVA who have such condition at the time the free allotment rights are allocated and only in connection with the free allotment rights which are originally allocated to them at such time; accordingly, this option will not be available in respect of any free allotment right acquired through a market purchase.

The price at which BBVA will undertake to acquire each right of free allocation will be calculated by the following formula (rounding off to the closest one-thousandth of a euro and, in the event of a half of a thousandth of a euro, by rounding up to the next whole thousandth):

$$\text{RP} / (\text{NAR} + 1)$$

BBVA's commitment to acquire rights of free allocation at the price resulting from the aforementioned formula, will remain in force and would be exercised by the shareholders during the trading period for such rights (described in section 5 above).

For this purpose it is agreed to authorise the Bank to acquire such rights of free allocation up to a maximum of the total rights issued, always complying with the legal applicable limits.

- 7. Form and rights of the new shares.-** The new shares will be represented by book entries, and the books will be managed by Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (IBERCLEAR) and its participating entities. The new shares will confer on their holders the same rights as the rest of BBVA's ordinary shares.
- 8. Listing.-** It is resolved to apply for listing of the new shares on the securities exchanges in Madrid, Barcelona, Bilbao and Valencia via the Spanish SIBE electronic trading platform. This also applies to the arrangements and documents required for listing on the foreign securities exchanges where BBVA's shares are traded at time of issue: currently London and Mexico, and via ADS's (American Depository Shares), on the securities markets of New York and also on the Lima Stock Exchange, due to the interchange agreement between both markets. These arrangements also apply to the new shares issued as a consequence of the capital increase and BBVA expressly agrees to be bound by present and future rules of these markets, especially regarding contracts, listing and delisting for the official trading system.

For this purpose, authority is conferred on the Board of Directors and the Executive Committee, with express powers of substitution in both cases so that, once this resolution has been adopted, they can make the corresponding applications, draw up and present any appropriate documents in the terms they consider necessary and appropriate, and take any measures that may be needed for such purpose.

For legal purposes it is hereby expressly stated that should a request be made subsequently to delist BBVA's shares, the Bank will comply with all the formalities required by applicable legislation. It will also guarantee the interests of shareholders who oppose this or who do not vote for delisting, thereby satisfying the requirements of the Corporate Enterprises Act, of the Securities Exchange Act and of other similar or supplementary regulations.

- 9. Execution of the resolution and conferral of authority.-** It is resolved to confer authority on the Board of Directors, pursuant to article 297.1.a) of the Corporate Enterprises Act and article 30.c) of the Company Bylaws, empowering it to delegate this authority on the Executive Committee with express powers to delegate it in turn; on the Chairman of the Board of Directors; on the President & COO; on any other Company director; and empower any proxy of the Company to set the date on which the resolution to increase capital will be carried out that will be determined by observing the provisions of this resolution, within one (1) year of from the date of this resolution and to determine the new wording applicable to article 5 of the Company Bylaws regarding the total amount of share capital and the number of shares comprising it.

Pursuant to article 30.c) of the Company Bylaws, the Board of Directors may refrain from executing the present capital increase in view of market conditions, the circumstances of the Bank itself or a social or economic fact or event that makes the action unadvisable. In such case it will report on this to the first General Shareholders' Meeting held following the end of the period established for execution.

Likewise, it is resolved to confer authority on the Board of Directors, also pursuant to article 297.1.a) of the Corporate Enterprises Act and also empowering it to delegate the authority on the Executive Committee, with express faculties to delegate it in turn; on the Chairman of the Board of Directors; on the President & COO; on any other Company director; and empower any proxy of the Company to establish the conditions of the capital increase insofar as these are not covered in the foregoing sections and in particular, on the following list which does not constitute a limitation or restriction of any kind:

- (i) To determine the date on which the capital increase will be carried out in accordance with the terms and within the limits defined in the present resolution.
- (ii) To determine the final amount of the capital increase, the number of new shares, the market reference value (up to a maximum of €700,000,000), the number of rights of free allocation necessary to receive one new share in accordance with the provisions established in previous sections.
- (iii) To determine the specific voluntary reserve accounts or sub accounts against which the capital increase will be charged.
- (iv) To establish the period for trading the rights of free allocation in accordance with article 503 of the Corporate Enterprises Act.

- (v) To determine the period in which BBVA's commitment to acquire rights of free allocation will remain in force and would be exercised by the shareholders in the terms indicated above, which shall take place within the period determined for trading the rights of free allocation.
- (vi) To decline the number of rights of free allocation needed to reconcile the allocation ratio for the new shares, to decline the rights of free allocation that are acquired under the purchase commitment and to decline any rights of free allocation as might be necessary or appropriate.
- (vii) To declare the capital increase finalised and closed at the end of the above period for trading the rights of free allocation, declaring when relevant that subscription was incomplete and signing whatever public and private documents might be needed for the total or partial execution of the capital increase.
- (viii) To amend article 5 of the Bank's Company Bylaws on share capital.
- (ix) To draw up, sign and present the appropriate issue documents in relation to the issuance of the new shares to the CNMV (securities exchange authority) or to any other competent Spanish or non-Spanish authority and to present any additional or supplementary information or documents required.
- (x) To draw up, sign and present the necessary or appropriate documents for the issue and listing of the new shares to the CNMV (securities exchange authority) or to any other competent Spanish or non-Spanish authority or organisation, assuming responsibility for their contents and to draw up, sign and present any supplements needed, requesting their verification and registration.
- (xi) To carry out any action, declaration or negotiation with the CNMV (securities exchange authority), with the Bank of Spain, with the European Central Bank, with the governing bodies of the securities exchanges, with Sociedad de Bolsas, S.A., IBERCLEAR, , and with any other organisation, entity or register, whether public or private, Spanish or non-Spanish, to obtain (if necessary or advisable) the authorisation, verification and subsequent execution of the issue and the listing of the new shares.
- (xii) To draw up and publish any announcements that may be necessary or advisable.

- (xiii) To draw up, sign, accredit and, if necessary, to certify any type of document related to the capital increase, including without limit the public and private documents required.
- (xiv) To complete all the necessary formalities so that the new shares associated with the capital increase can be entered in IBERCLEAR's registers and listed on the securities exchanges in Madrid, Barcelona, Bilbao and Valencia via the Spanish SIBE electronic trading platform and on foreign securities exchanges that list BBVA's shares at the time of issue.

Notice of meeting; Article 24. Representation to attend the Meeting; Article 29. Shareholders' right to information; Article 30. Powers of the General Meeting, which shall have the following wording:

Article 20. Notice of meeting.

General Meetings will be called at the initiative of the Company's Board of Directors whenever it deems necessary or advisable for the Company's interests, and in any case on the dates or within the periods determined by law and these Bylaws.

If requested by one or several shareholders representing at least three per cent of the share capital, the Board of Directors must also convene a General Meeting. The requisition must expressly state the matters to be dealt with. In such event, the Board of Directors must call the General Meeting so that it is held within the legally established period as of the date on which the Board of Directors is served duly attested notice to call it. The agenda must without fail include the matters to which the request for a Meeting referred. Likewise, in the period and form established by law, shareholders representing at least three per cent of the share capital may request publication of a supplement to the notice of meeting for an Annual General Meeting, including one or more items on the agenda in the notice, providing the new items are accompanied by substantiation or, as appropriate, a substantiated proposed resolution, and submit substantiated proposals for resolutions on matters already included or that should be included in the agenda of the notice of meeting for the General Meeting being convened .

Article 24. Proxies for the General Meeting.

Any shareholder who is entitled to attend may be represented at the General Meeting by another person, who need not necessarily be a shareholder.

Proxy must be conferred specifically for each General Meeting, using the proxy form established by the Company, which will be recorded on the attendance card. A single shareholder may not be represented at the Meeting by more than one proxy, except under the circumstances provided in the Act for brokering institutions.

Shareholders may also request clarification that they deem pertinent about the publicly available information that the Company has filed with the CNMV (securities exchange authority) since the last General Meeting was held and regarding the auditor's report. The directors are obliged to furnish the information requested pursuant to the above paragraph, in writing, up until the day on which the General Meeting is held.

They may also request any clarification they deem necessary regarding the publicly accessible information submitted by the Company to the CNMV (securities exchange authority) since the last General Meeting and regarding the auditor's report. Should it not be possible to satisfy the shareholder's right to information there and then, the directors will be obliged to furnish the information requested, in writing and within seven days after the end of the General Meeting.

Directors will be obliged to provide the information requested under the provisions of this article, unless the information is unnecessary to safeguard shareholders' rights, or if there are objective reasons for considering that it could be used for purposes unrelated to the Company or if its release would harm the Company or associated companies.

Information may not be refused when the request is supported by shareholders representing at least one quarter of the capital.

ARTICLE 4. NOTICE OF MEETING

General Meetings will be called at the initiative of and according to the agenda determined by the Board of Directors, which must necessarily call them whenever it deems this necessary or advisable for the Company's interests, and in any case on the dates or in the periods determined by law and the Company Bylaws.

A General Meeting must also be called if requested by one or several shareholders representing at least three per cent of the share capital. The request must expressly state the matters to be dealt with. In such event, the Board of Directors must call the General Meeting so that it is held within the legally established period as of the date on which the Board of Directors is served duly attested notice to call it. The agenda must without fail include the matters to which the request for a Meeting referred.

ARTICLE 5. PUBLICATION OF THE NOTICE OF MEETING

Annual and Extraordinary General Meetings must be called within the notice period required by law. This will be done by means of an announcement published by the Board of Directors or its proxy in the Official Gazette of the Companies Registry (BORME) or one of the highest-readership daily newspapers in Spain, within the notice period required by law, as well as being disseminated on the CNMV (securities exchange authority) website and the Company website, except when legal provisions establish other media for disseminating the notice.

The announcement will indicate the date, time and place of the Meeting and its agenda, which will state all the matters that the Meeting will cover, and any other references that may be required by law.

<p>This English version is a translation of the original in Spanish for information purposes only. In case of a discrepancy, the Spanish original will prevail.</p>

The announcement will also state the date on which the General Meeting will be held at second summons. At least twenty-four hours must be allowed to elapse between the Meetings held at first and second summons.

The General Meeting announcement will also state the date on which shareholders must have registered their shares in their name in order to be able to take part and vote at the General Meeting; the place and the form in which to obtain the complete transcription of the proposed resolutions, the reports and other documents required by law and by the Company Bylaws, as well as the address of the Company website where the information will be available.

Once the announcement has been published and until the date on which the General Meeting is held, the Company website will contain the documents relating to the General Meeting, including the announcement giving notice of meeting, the total number of shares and voting rights on the date of the notice of meeting, the documents and reports that will be presented to the General Meeting, the complete transcription of the proposed resolutions, the identity, curriculum and category of any Directors whose appointment, ratification or re-election has been proposed and any related proposals and reports required by law, the forms to be used for proxy and remote voting, and any relevant information that shareholders may need to issue their vote and any information required by applicable legislation.

It will also include necessary details regarding shareholder information services, indicating telephone numbers, e-mail addresses, offices and opening hours.

Moreover, where applicable, information will be provided on how to follow or attend the General Meeting over remote media, when this has been established, in accordance with the Company Bylaws. Information on anything else considered useful or convenient for the shareholders for such purposes will also be included.

Pursuant to applicable legislation, the Company will establish an Online Shareholders Forum on its website on the occasion of each General Meeting, providing duly secured access both for individual shareholders and any voluntary associations of shareholders that may be set up, in order to facilitate their communication in the run-up to the General Meeting. Shareholders may post proposals on the Online Forum that they intend to present as supplements to the agenda announced in the notice of meeting, requests to second such proposals, initiatives to reach the threshold for minority rights established by law, and offers or requests for voluntary proxy.

ARTICLE 5 BIS. SUPPLEMENT TO THE NOTICE OF MEETING AND NEW RESOLUTION PROPOSALS

Shareholders representing at least three per cent of the share capital may request publication of a supplement to the notice of meeting for an Annual General Meeting, including one or more items on the agenda, providing the new items are accompanied by substantiation of their grounds or, where appropriate, a duly substantiated proposed resolution. The right to do this may be enforced by duly attested notification to the Bank's registered office within five days after the notice of meeting is published. The supplement to the notice of meeting must be published at least fifteen days prior to the date on which the General Meeting is scheduled.

Shareholders representing at least three per cent of the share capital may, within the same period established in the previous section, present duly substantiated proposals of resolutions on matters already included or that must be included in the agenda of the General Meeting being convened. The Company will ensure that these proposed resolutions and the documents that may be attached to them are disseminated amongst the other shareholders.

ARTICLE 6. SHAREHOLDERS' RIGHT TO INFORMATION PRIOR TO THE GENERAL MEETING

Until the fifth day before the date for which the General Meeting is scheduled, shareholders may ask the Board for information or clarification, or submit written questions regarding the matters on the agenda. Within the same period, shareholders may send in written request for any clarification they deem necessary regarding the publicly accessible information that the Company has filed with the CNMV (securities exchange authority) since the last General Meeting was held and regarding the auditor's report. Once this period has elapsed, shareholders are entitled to request information and clarification and ask questions during the General Meeting in the form established by article 18 of these Regulations.

Provided that it complies with the time frame and scope requirements established in the Law and this Regulation, the requested information shall be provided in writing to the requester by the Shareholders office until the date of the General Meeting, unless the Chairman deems the information to be unnecessary to safeguard shareholders' rights, or if there are objective reasons for considering that it could be used for purposes unrelated to the Company or if its release would harm the Company or associated companies.

Information shall not be withheld whenever the request is backed by shareholders representing at least one quarter of the share capital.

When prior to the formulation, the information requested is clear and directly available to all shareholders on the Company website in the format of Frequently Asked Questions., the Directors may answer by simply directing the shareholders to the information in said format.

The right to information may be exercised through the Company website, which will disseminate the lines of communication open between the Company and its shareholders and explain how shareholders may enforce their right to information. It will indicate the postal and e-mail addresses at which shareholders may contact the Company for such purposes.

In the event of abuse or misuse of the request information, the shareholder shall be liable for any resulting damages and losses.

ARTICLE 9. PROXIES FOR THE GENERAL MEETING

Any shareholder entitled to attend may be represented by another person who need not necessarily be a shareholder.

Proxies must be conferred specifically for each General Meeting, using the proxy form established by the Company, which will be recorded on the attendance card. A single shareholder may not be represented at the General Meeting by more than one proxy,

<p>This English version is a translation of the original in Spanish for information purposes only. In case of a discrepancy, the Spanish original will prevail.</p>

except under the circumstances provided in the Act for brokering institutions.

Representation conferred to someone not eligible by law to act as proxy will be null and void, as will proxies conferred by holders in trust or in apparent agency.

Proxies must be conferred in writing or by remote communication media that comply with the requirements of law regarding remote voting. They must be specific for each General Meeting.

The representative with proxy may represent more than one shareholder. There is no limit on the number of shareholders that can be represented. When a representative has proxies from several shareholders, he/she may vote in different ways according to the instructions given by each shareholder.

Proxies will always be revocable. Should the shareholder represented attend the General Meeting in person, his/her proxy will be deemed null and void.

Revocation of proxy may be done in writing or over electronic media in compliance with the formal requirements and system established for this purpose by the Company.

The number of shares represented will be calculated for the valid constitution of the General Meeting.
