

Board of Directors Report

on the proposed appointment of Ana Peralta Moreno as independent director

Introduction

In accordance with article 3 of the Regulations of the Board of Directors of Banco Bilbao Vizcaya Argentaria, S.A. (hereinafter, “**BBVA**” or the “**Bank**”), and in compliance with the provisions of article 529 decies of the Corporate Enterprises Act, the Appointments Committee is responsible for proposing appointments of members of the Bank's Board of Directors with the condition of independent directors.

Also, Article 3 of the Regulations of the Board of Directors, in compliance with the Corporate Enterprises Act, also states that the proposal by the Appointments Committee must be accompanied by a report explaining the grounds on which the Board of Directors has assessed the competence, experience and merits of the candidate proposed, which will be attached to the minutes of the General Shareholders' Meeting or of the Board of Directors' meeting.

To comply with this, the Board of Directors of the Bank has prepared the present report, which accompanies the proposed appointment of Ana Peralta Moreno as member of the Board of Directors of the Bank with the category of independent director to be submitted to the Ordinary General Shareholders' Meeting of BBVA (hereinafter, the “**Report**”).

Proposal of the Appointments Committee

To prepare the Report, the Board of Directors evaluated the proposal by the Appointments Committee of BBVA in accordance with point 4 of article 529 decies of the Corporate Enterprises Act and articles 3 and 33 of the Regulations of the Board of Directors of the Bank after analyzing the Board's current composition and needs, as well as the need for its members to have a diversity of knowledge, skills and experience to enable them to discharge their functions adequately, with directors having extensive national and international training and experience in areas such as banking and finance, accounting and risk, as well as legal, academic, business and new technologies.

In addition, the Appointments Committee, in the discharge of its duties and as part of the ongoing Board rotation process, has assessed the objectives laid down in BBVA's Board of

Directors selection, appointment, rotation and diversity policy, which include that of ensuring a balance between the different categories of Board members and that non-executive directors represent an ample majority over executive directors, and that the number of independent directors accounts for, at least, 50% of the total Board; and that in 2020 the number of female directors represent at least 30% of the total members of the Board.

The Committee has also considered that independent directors help contribute to a suitable composition of the Board Committees, in particular those which assist the Board of Directors in its oversight and control duties, which must have a significant representation of independent directors, amongst whom the Chairs of these Committees must be appointed.

Furthermore, the Committee has assessed the conditions needed to hold the post of director of BBVA including the conditions attached to the status of Board member, education, professional experience and suitability, also assessing the time dedication required for holding the position and taking care that, in any case, the directors have the requisite suitability and independence requirements.

Accordingly, based on the current needs of BBVA's corporate bodies, the structure, size and composition of the Board, and the Board of Directors selection, appointment, rotation and diversity policy, the Appointments Committee considers that Ana Peralta Moreno has the appropriate knowledge, skills and experience to hold the position of member of the Board of Directors, and meets the suitability requirements for this position, and thus the Committee agreed to propose to the Board, so that the Board, in turn, may propose to the General Meeting, the appointment of Ana Peralta Moreno as independent director of the Bank.
