E&S action plan	Yes
E&S independent review	Yes

[Definitions...](#)

Description

A concession for the design, building, financing and exploitation of a 49-km stretch of the already existing A-66 state highway. This section is essential to promoting the economic development of western Spain. The road will run through environmentally sensitive areas (Red Natura 2000 and Special Protection Areas for birds). The project design includes various environmental measures in order to blend in with the landscape as well as elements like noise barriers and several animal crossings.
