BBVA informed about the conversations being held with representatives of Banco de Sabadell, S.A., with the Board of Director’s authorization, in relation to a potential merger between both entities, a reciprocal process of revision (due diligence) having begun, in terms customary to these types of transactions, and with appointment of external advisers.

It is stated that no decision has been taken in relation to this potential merger transaction, and that no certainty exists as to it finally taking place nor, in this case, over the terms and conditions of an eventual transaction. Information will be duly disclosed on the decisions that, as the case may be, are to be adopted in relation to the transaction, when and how it is duly and legally required.”

#### **AMENDMENT TO THE CAPITAL DIVESTURES SECTION ON THE DESCRIPTION OF THE GUARANTOR**

BBVA has reached an agreement with The PNC Financial Services Group, Inc. for the sale of 100% of the capital stock of its subsidiary BBVA USA Bancshares, Inc., which in turn owns all the capital stock of the bank, BBVA USA, as well as other companies of the BBVA group in the United States with activities related to this banking business.

The agreement reached does not include the sale of the institutional business of the BBVA group developed through its broker dealer BBVA Securities, Inc., nor the participation in Propel Venture Partners US Fund I, L.P.

The price of the Transaction amounts to approximately 11,600 million US dollars. The price will be fully paid in cash.

It is expected that the Transaction would result in a positive impact on BBVA Group’s Common Equity Tier 1 (fully loaded) ratio of approximately 300 basis points and positive results (net of taxes) of approximately 580 million euros<sup>1</sup>.

The closing of the Transaction is subject to obtaining regulatory authorizations from the competent authorities. It is estimated that the closing of the Transaction would take place in mid 2021.”

<sup>1</sup>

The determination of the impact on Common Equity Tier 1 and the financial results was made taking into consideration the group’s financial statements as of September 30, 2020 and a EUR/USD exchange rate of 1.20. The amount of the impact on Common Equity Tier 1 and the financial results will vary from the date of this disclosure up to the date of closing of the Transaction due to, among other circumstances, changes in the book value of the companies included in the Transaction and changes in the EUR/USD exchange rate.
