RESOLUTIONS UNDER AGENDA ITEM FIVE

First.- Authorise the Board of Directors of Banco Bilbao Vizcaya Argentaria, S.A. (the “**Company**” or the “**Bank**”), as broad as required by law, to issue convertible securities, whose conversion is contingent and which is intended to meet regulatory requirements for their eligibility as capital instruments, in accordance with the solvency regulations applicable from time to time (CoCos), subject to the legal and statutory provisions that may be applicable at any time and, where appropriate, prior obtaining the authorisations that may be necessary to such end. The Board of Directors may make issues on one or several times within the maximum term of five (5) years from the date on which this resolution is adopted, up to the maximum overall amount of EIGHT BILLION euro (EUR 8,000,000,000) or its equivalent in any other currency.

Likewise, authorise the Board of Directors, as broad as required by law by law, so that, in the manner it deems most appropriate, it may:

- (i) Resolve, establish and determine each and every one of the terms, characteristics and conditions of each of the issues of securities contingently convertible into newly issued Company shares made under this resolution, including, but not limited to the term of, expressly including the possibility of issuing perpetual securities; where applicable, the terms and early redemption options, which may be in favor of either the issuer or the holders of the securities; the amount, always within the maximum overall amount indicated above; the issue date(s); the interest rate; the issue price; the number of securities and the nominal value of each one; the form in which the securities are to be represented; the form and conditions of the remuneration, the interest rate, fixed or variable, and the dates and procedures for payment of the coupon; the priority of the securities and their potential subordination clauses; where appropriate, the anti-dilution clauses; the applicable law; and, where appropriate, the mechanisms for the collective organisation and association and/or representation and protection of the holders of the securities to be issued, including the appointment of their representatives.
- (ii) Resolve, establish and determine the manner, timing and scenarios of conversion and the bases and methods of conversion.
- (iii) Resolve, establish and determine the conversion ratio, which may be fixed or variable, within the limits set forth below.

Should the issuance be made with a fixed conversion ratio, the Company share price used for the conversion may not be less than the higher of: (a) the arithmetic mean of the closing prices of the Company share on the securities market or exchange that the Board of Directors determines, during a period to be established, which may not be more than three months or less than fifteen trading sessions prior to the date on which the specific issue of contingently convertible securities is approved and (b) the closing price of the Company share on the securities market

or exchange that the Board of Directors determines, the day prior to the date on which the specific issue of contingently convertible securities is approved.

Should the issuance be made with a variable conversion ratio, the Bank share price used for the conversion must be the arithmetic mean of the closing prices of the Company share on the securities market or exchange that the Board of Directors determines, during a period to be established, which may not be more than three months or less than five trading sessions prior to the date on which the conversion trigger event takes place. In such case, a premium or, where appropriate, a discount— may be applied to the price per share, although should an issue discount be applied to the price per share, it may not exceed 30%. The premium or discount may be different for each conversion date on each of the issuances or tranches. Likewise, even if a variable conversion ratio is established, a minimum and/or maximum reference price may be determined for the shares for conversion, in the terms that the Board of Directors deems appropriate.

Subject to whatever other limits may be applicable under prevailing regulations at any time, the value of the Company share for the purposes of the conversion ratio of the securities into shares may not be below the nominal value of the Company share at the time of conversion and securities may not be converted into shares when the nominal value of the securities is below that of the shares.

For the purposes of conversion, the value of the contingently convertible securities will be their nominal value, and may or may not include accrued and unpaid interest at the time of conversion, and rounding formulae as may be determined as appropriate.

- (iv) Request, where appropriate, that the contingently convertible securities issued hereunder and/or the shares issued to cover their conversion be listed for trading on official or unofficial, regulated or non-regulated, organised or non-organized secondary markets, domestic or foreign, and to carry out any procedures or actions that may be necessary or appropriate for this purpose with the corresponding public and/or private bodies.

It is expressly stated that the Company submits to the regulations that exist now or that could be enacted in the future with regard to trading, and particularly with regard to contracting, retention and exclusion from trading and the undertaking that, in the event that exclusion from the trading of securities or shares is subsequently requested, it will be adopted with the formalities required by the applicable regulations.

- (v) Increase the Bank's share capital by the amount necessary to cover the conversion commitments, within the limits that, where applicable, are in force and available at any time, and to declare the issue undersubscribed, where applicable, establishing the specifications of the Company shares to be issued to cover the conversion of the securities, and to redraft the corresponding article in the bylaws.

- (vi) Exclude, either fully or partially, the pre-emptive subscription rights of shareholders within the framework of a concrete issuance, when corporate interest so demands, complying, in all cases, with the legal requirements and limitations established for this purpose at any given time.

Two.- To repeal the authority conferred by the Annual General Meeting of Shareholders held on 17 March 2017 under its agenda item five, in the unused part.

Three.- Authorise the Board of Directors, in the broadest terms, to exercise the authorisation contained in the resolution one above and to carry out any actions, procedures, requests or applications that may be necessary or advisable for its exercise, authorising the Board of Directors to sub-delegate this authority to the Executive Committee (with express powers to delegate this in turn); to the Chairman of the Board of Directors; to the Chief Executive Officer; or to any other director; and to confer authority, in the broadest terms, on any Company proxy.

RESOLUTIONS UNDER AGENDA ITEM SIX

Approve the reduction of the share capital of Banco Bilbao Vizcaya Argentaria, S.A. (the “**Company**” or “**BBVA**”) up to a maximum amount of 10% of the share capital as of the date of this resolution (i.e. up to a maximum nominal amount of THREE HUNDRED AND TWENTY-SIX MILLION SEVEN HUNDRED AND TWENTY-SIX THOUSAND FOUR HUNDRED AND FORTY-TWO EUROS AND FORTY-TWO CENTS OF EURO (EUR 326,726,442.42) corresponding to SIX HUNDRED AND SIXTY-SIX MILLION SEVEN HUNDRED AND EIGHTY-EIGHT THOUSAND SIX HUNDRED AND FIFTY-EIGHT (666,788,658) shares with a nominal value of FORTY-NINE CENTS OF EURO (EUR 0.49)), subject to obtaining, where appropriate, the prior corresponding regulatory authorisations, through the redemption of own shares purchased by BBVA by virtue of the authorisation granted by the BBVA Ordinary General Shareholders' Meeting held on 16 March 2018 under item three of the agenda and by means of any mechanism for the purpose of being redeemed, all in compliance with the provisions of the legislation or regulations in force, as well as with any limitations that any competent authorities may establish. The implementation period of this resolution will end on the date of the next Ordinary General Shareholders' Meeting, and shall cease as of such date in respect to the amount not executed.

The final figure of the share capital reduction will be determined by the Board of Directors, within the maximum amount mentioned above, based on the final number of shares that are purchased and that the Board of Directors decides to redeem in line with the delegation of powers approved below.

The share capital reduction does not involve the repayment of contributions to the shareholders as the Company itself holds the shares to be redeemed and the share capital reduction will be recorded as a charge to freely distributable reserves by means

of the allocation of a restricted reserve for redeemed share capital in an amount equal to the nominal value of the redeemed shares, which may only be available under the same conditions as those required for the share capital reduction, in application of the provisions of Article 335 c) of the Corporate Enterprises Act, and therefore the Company's creditors will not be entitled to exercise their right of opposition as referred to in Article 334 of the Corporate Enterprises Act.

To empower the Board of Directors, in the broadest terms, authorising it to sub-delegate on the Executive Committee (in turn, with sub-delegation powers); on the Chairman of the Board of Directors; on the Chief Executive Officer; and on any other person to whom the Board explicitly grants powers for such purpose, in order to fully or partially execute the previously approved share capital reduction, on one or more occasions, within the established time frame and in the manner it deems most appropriate, including, in particular and without limitation:

- (i) To determine the number of shares to be redeemed in each execution, deciding whether or not to execute the resolution in whole or in part if no own shares are finally repurchased for the purpose of being redeemed or if, having been repurchased for that purpose, (a) they have not been purchased, on one or more occasions, in a sufficient number to reach the 10% of the share capital limit on the date of this resolution; or (b) market conditions, Company circumstances or any event of social or economic importance make it advisable for reasons of corporate interest or prevent its execution. The Board will notify such decision to the next Ordinary General Shareholders' Meeting.
- (ii) To declare closed each of the executions of the share capital reduction finally agreed, setting, as appropriate, the final number of shares to be redeemed in each execution and, therefore, the amount by which the Company's share capital must be reduced in each execution, in accordance with the limits established in this resolution.
- (iii) To redraft the article of the Bylaws governing the share capital so that it reflects the new share capital figure and the number of outstanding shares after each approved share capital reduction.
- (iv) To request, as appropriate, the delisting of the shares to be redeemed by virtue of this delegation in official or unofficial, regulated or unregulated, organised or not, domestic or foreign secondary markets, taking such steps and actions as may be necessary or advisable for this purpose before the relevant public and/or private bodies, including any action, declaration or management before any competent authority in any jurisdiction, including, but not limited to, the United States of America for the delisting of the shares represented by ADSs.
- (v) To execute all public and/or private documents, and to enter into as many acts, legal transactions, contracts, declarations and operations that may be necessary or advisable to carry out each approved share capital reduction.

- (vi) To publish as many announcements as may be necessary or appropriate regarding the share capital reduction and each of its executions, and carry out any actions required for the effective redemption of the shares referred to in this resolution.
- (vii) To set the terms and conditions of the reduction in any matters not provided in this resolution, as well as to carry out any procedures and formalities required to obtain the consents and authorisations required for the effectiveness of this resolution.

- a) Develop and establish the specific terms and conditions of the remuneration systems for non-executive directors and executive directors as regards any matters not laid down in the Policy, specifically including, but not limited to, designating beneficiaries, performing actions relating to incorporations and leaves of directors, resolving the settlement and payment and the terms of remuneration, establishing cases for early settlement, as necessary, and confirming compliance with any applicable terms and conditions to which this settlement is linked.

or, in the case of the remuneration system for executive directors, in connection with the indicators selected to determine the variable remuneration or with the banks comprising the group of peer institutions for the TSR indicator, where appropriate, in order for it to remain in equivalent terms and conditions.

- c) Adapt the content of the Policy to any requirements, observations or requests that may be made by the competent supervisors and, in particular, make adjustments to the percentages and deferral periods for the annual variable remuneration set up for the executive directors of Banco Bilbao Vizcaya Argentaria, S.A., as well as in the withholding period for shares or in the rules set for its calculation.
- d) Authorise the award of counterparty and liquidity contracts with any financial institutions that it freely designates, under the terms and conditions it deems appropriate.
- e) Generally, perform as many actions and subscribe as many documents as may be necessary or convenient to ensure the validity, effectiveness, implementation, development and execution of the Policy.
