**Note:** The results from US business sold to PNC are included in the “Discontinued Operations” P&L heading. (1) Weighted by operating expenses and excluding USA and Venezuela. (2) Excludes the US business sold to PNC. (3) Includes impact from the US business sold to PNC and 10% potential share buyback. Any potential repurchase of shares would, at the earliest, take place after the expected close of the BBVA USA transaction. Any decision on a repurchase of ordinary shares would (i) require supervisor’s approval and the lifting of the ECB recommendation on distributions to shareholders, and (ii) take into consideration share prices, among other factors. It has been calculated considering BBVA’s share price of €4.49 as of 28 April 2021.
