HEALTH MEASURES, CAPACITY LIMITATION AND RECOMMENDATION FOR REMOTE PARTICIPATION IN THE GENERAL MEETING

Due to the exceptional circumstances existing at the time of this call, resulting from the COVID-19 pandemic, and with the aim of protecting the health and safety of shareholders, employees and all other persons attending the General Meeting, the Company recommends that all shareholders use the means established for this General Meeting to vote and delegate proxies remotely, prior to it being held, or to attend it remotely, avoiding, as far as possible, physical attendance at the scheduled venue of the General Meeting.

However, shareholders or proxies who wish to attend the General Meeting in person, despite this recommendation, should note that there is a safety protocol that must be followed in order to access the venue, published on the Bank’s corporate website (www.bbva.com). This safety protocol may be updated up until the date of the General Meeting with any other measures or recommendations issued in this regard by the competent authorities.

The Company will inform shareholders, also through the Company’s corporate website (www.bbva.com), of the limitations and restrictions that could be imposed by the competent authorities on the capacity of the scheduled venue of the General Meeting or any other limitations and restrictions which may be agreed by the Company’s Board of Directors due to health safety reasons. Once the capacity limit of the scheduled venue has been reached, taking into account the limitations or restrictions in force, if applicable, it will not be possible to enter the venue of the General Meeting.

Shareholders or their representatives who wish to attend the General Meeting in person are requested to consult, prior to the meeting, the information on capacity limitations or other circumstances that may be published by the Company on the corporate website (www.bbva.com) in order to avoid that in the event that it is not possible to gain access to the venue where the General Meeting is to be held it may also not be possible to attend remotely through the channels set up for this purpose due to the deadlines and procedures, which are described further on in this call notice, having elapsed.

Notwithstanding the foregoing, shareholders are informed that the General Meeting will be broadcasted on the Company’s corporate website (www.bbva.com).

SUPPLEMENT TO THE CALLING AND PRESENTATION OF PROPOSED RESOLUTIONS

Pursuant to the Corporate Enterprises Act, shareholders representing, at least, three percent of the share capital may: (i) request the publication of a supplement to the calling of the Meeting, including one or more items on the agenda, provided that the new items are accompanied by substantiation or, as appropriate, a substantiated proposed resolution; and (ii) submit substantiated proposed resolutions on matters already included or that should be included on the agenda.
These rights must be exercised by duly certified notice to the Company, which must be received at the registered office, at Plaza de San Nicolás, 4, 48005, Bilbao, within five days following publication of this calling.

ATTENDANCE

Pursuant to the Company’s Bylaws, holders of 500 or more shares are entitled to attend the General Meeting when these shares are on record in the corresponding accounting register at least five days before the scheduled date of the General Meeting.

As the Annual General Meeting is likely to be held on second call, pursuant to Article 517 of the Corporate Enterprises Act, shareholders must have shares registered in their name no later than March 13, 2022 in order to be able to participate in and vote at the Meeting.

The Company will issue a personalized attendance card indicating the number of shares held to each shareholder entitled to attend who so requires it, giving them access to the venue where the General Meeting is to be held. Requests may be sent to the Shareholder Office, or made via the Company’s corporate website (www.bbva.com) or at any BBVA branch in Spain.

Holders of fewer than 500 shares may group together to reach or exceed the required number, and name a representative. To do this, shareholders must request the corresponding group card, available at any BBVA branch in Spain.

In order to confirm the identity of shareholders, or their valid proxies, on entering the venue where the General Meeting is to be held, attendees will be asked to present their attendance card, documents verifying their status as proxy, where applicable, and their Spanish national identity document or any other official document generally accepted for such purposes.

REMOTE ATTENDANCE

The Company has agreed that, in accordance with Article 21 of its Company’s Bylaws, as an additional mechanism for participation in the General Meeting, attendance may also take place via remote means.

Remote attendance will take place through the Remote Attendance Portal, accessible via the Company’s corporate website (www.bbva.com) and online banking website (www.bbva.es), in accordance with the timeframes and in the format described below. It is envisaged that the General Meeting will be broadcasted live on the Company’s corporate website (www.bbva.com).

In order to verify the identity of the attendees at the General Meeting, and to guarantee that shareholders can properly exercise their rights, shareholders—or their valid proxies—who wish to attend the General Meeting remotely (hereinafter, remote attendees) must confirm their identity—and that of their proxy, where applicable—on the Remote Attendance Portal prior to the start of the Meeting (hereinafter, the Accreditation process), as follows:

b) through the 2022 General Meeting/Remote Attendance section of the Bank’s corporate website (www.bbva.com), for remote attendees who are not BBVA online banking users.

The Accreditation process on the Remote Attendance Portal will become available on March 3, 2022 and will close at 11.00 on the day of the General Meeting. However, to ensure the correct processing of the supporting documentation verifying their identity and legitimacy, it is recommended that all shareholders—or their proxies—who wish to attend remotely complete the Accreditation process sufficiently in advance, with it being recommendable to do so no later than March 17, 2022.

In order for the General Meeting to take place in an orderly manner and for the proper management of the remote attendance, once the Accreditation process is completed in due time and form, remote attendees must access the Remote Attendance Portal between 07.00 and 11.30 on the scheduled day of the Meeting, as follows:

Only remote attendees who have completed the Accreditation process in due time and form and have accessed the Remote Attendance Portal between the indicated times may exercise their rights remotely on the day of the General Meeting.

Remote attendees who, in exercise of the shareholder rights provided for in the Corporate Enterprises Act, wish to request any information or clarification which they deem necessary in relation to items on the agenda, publicly available information that the Company has submitted to the National Securities Market Commission since the last General Meeting, or in connection with the auditor's report; or who wish to draft written proposals under the terms of, and in accordance with, the Corporate Enterprises Act, may do so through the Remote Attendance Portal, on the scheduled day of the Meeting from 07.00 until the start of the General Meeting.

In accordance with the provisions of the Corporate Enterprises Act, valid requests for information or clarification submitted by remote attendees will be answered by the Meeting Panel during the meeting, or in writing within seven days of the General Meeting taking place.

Remote attendees' right to vote shall be exercised through the Remote Attendance Portal and in accordance with the provisions of the Bank's General Meeting Regulations. Remote attendees will be able to vote on the proposed resolutions on the agenda items from the moment they access the Remote Attendance Portal until the General Meeting Panel declares the Meeting to be over. The vote on proposed resolutions which, by legal mandate, do not need to be included on the Meeting's agenda and must be put to a vote, shall take place once these proposals are read out by the General Meeting Panel.

For any matters not explicitly covered in this call notice, remote attendance at the General Meeting will be subject to the provisions set out in the General Meeting Regulations and to the rules set out on the Company's corporate website (www.bbva.com), on the 2022 Annual General Meeting/Remote Attendance section.

In any event, shareholders' physical attendance will nullify any actions carried out remotely via the Remote Attendance Portal.

It is expressly recognized that the Company is subject to any rules existing now or in the future regarding negotiation, and especially trading, listing and delisting of the securities, and the commitment that, should application be made for subsequent delisting of the shares, this will be adopted pursuant to the formal requirements under applicable regulations.

(iv) Pursuant to the Corporate Enterprises Act, totally or partially exclude shareholders' pre-emptive subscription rights over any specific share issue that may be made hereunder, when the corporate interest so requires, in compliance with any legal requirements established to this end.

However, notwithstanding compliance with any other legal limitations established for this purpose at any given time, the power to exclude pre-emptive subscription rights will be limited, such that the nominal amount of any share capital increases resolved or effectively carried out with the exclusion of pre-emptive subscription rights in use of this authority and those that may be resolved or carried out to cover the conversion of convertible issuances that may equally be made with the exclusion of pre-emptive subscription rights in use of the authority delegated under the following agenda item five of this General Meeting (without prejudice to anti-dilution adjustments) may not exceed the nominal maximum overall amount of 10% of the Bank's share capital at the time of this authorization.

Two.- Nullify, for the unused part, the authority conferred by the Annual General Shareholders' Meeting held on 17 March 2017, under item four of the agenda.

Three.- To confer authority on the Board of Directors, in the broadest terms, to exercise the authorization contained in the first resolution above and to carry out any actions, procedures, requests or applications that may be necessary or advisable for the effectiveness of the authorization, authorizing the Board of Directors to delegate to the Executive Committee (with the power to subdelegate in turn); to the Chairman of the Board of Directors; to the Chief Executive Officer; or to any other director; and to empower, in the broadest terms, any Company proxy.
One.- To confer authority on the Board of Directors of Banco Bilbao Vizcaya Argentaria, S.A. (the “Company” or the “Bank”), as broad as necessary by law, to issue securities convertible into new Bank shares (other than contingently convertible securities, envisaged to meet regulatory requirements for their eligibility as capital instruments (CoCos) referred to in the resolutions adopted by the Company's Annual General Shareholders’ Meeting held on 20 April 2021, under agenda item five), subject to provisions in the law and in the Company Bylaws that may be applicable at any time and prior obtaining of the authorizations that may be necessary to such end, on one or several occasions within the maximum term of five (5) years to be counted as from the date on which this resolution is adopted, up to the maximum total amount of SIX BILLION EUROS (EUR 6,000,000,000), or the equivalent in any other currency.

Likewise, to confer authority on the Board of Directors, as broad as necessary by law, such that, in the manner it deems most appropriate, it may:

(i) Resolve, establish and determine each and every one of the terms, characteristics and conditions of each issue of securities convertible into newly issued Company shares made under this resolution, including, but not limited to, the type of securities (which must be other than the aforementioned contingently convertible securities (CoCos), issuance of which by the Board of Directors is regulated by the resolutions adopted by the Annual General Shareholders’ Meeting held on 20 April 2021, under agenda item five) and their denomination; the amount, always within the maximum overall amount indicated above; the issue date(s); the interest rate; the issue price and, in the case of warrants and similar securities, the issue price and/or issue premium, the strike price—which may be fixed or variable—and the procedure, term and other conditions applicable to the exercising of the right to subscribe for or purchase the underlying shares; the number of securities and the nominal value of each one; the form in which the securities are to be represented; the form and conditions of the distribution, the fixed or variable interest rate, and the dates and procedures for payment of the coupon; the priority of the securities and their potential subordination clauses; where appropriate, the anti-dilution clauses; the applicable law; and, where appropriate, the mechanisms for the collective organization and association and/or representation and protection of the holders of the securities issued, including the appointment of their proxies.

(ii) Resolve, establish and determine the manner, timing and scenarios for conversion and/or redemption; and the bases and methods of conversion.

(iii) Resolve, establish and determine the conversion ratio, which may be fixed or variable, within the limits set forth below.

If the issue is carried out with a fixed conversion ratio, the Company share price used for the purposes of conversion may not be less than the greater of: (a) the arithmetic mean of the closing prices of the Company share on the securities market or stock market determined by the Board of Directors, during the period that is established, which may not be more than three months or less than fifteen trading days prior to the date on which the specific issuance of convertible securities is approved; and (b) the closing price of the Company share on the securities market or stock market determined by the Board of Directors, on the day prior to the date on which the specific issuance of convertible securities is approved.

If the issuance is made with a variable conversion ratio, the Bank share price used for the conversion must be the arithmetic mean of the closing prices of the Company share on the securities market or stock market determined by the Board of Directors, during the established period, which may not be more than three months or less than five trading days prior to the date on which the conversion trigger event takes place. A premium or, where appropriate, a discount—up to a maximum of 30%—may be applied to the price per share. The premium or discount may be different for each conversion date on each of the issuances or tranches. Likewise, even if a variable conversion ratio is established, a minimum and/or maximum reference price may be determined for the shares for conversion, in the terms resolved by the Board of Directors.

Subject to all other limits applicable under the regulations in effect at any time, the value of the Company share for the purpose of the ratio for converting the securities into shares may not be less than the nominal value of the Company share at the time of conversion, and securities may not be converted into shares when the nominal value of the securities is less than that of the shares.

For the purposes of conversion, the value of the convertible securities will be their nominal value, and may or may not include interest accrued and unpaid at the time of conversion, and any rounding formulae considered suitable may be determined.

(iv) Request, where appropriate, the admission to trading of the convertible securities issued by virtue of this delegation, and/or the shares issued to cover their conversion, in official or unofficial, regulated or

unregulated, organized or unorganized secondary markets, Spanish or foreign, and to carry out any procedures or actions deemed necessary or advisable for this purpose with regard to the corresponding public and/or private bodies.

The Company hereby expressly submits to the regulations that exist now or that could be enacted in the future with regard to trading, and particularly with regard to contracting, retention and exclusion from trading and the undertaking that, in the event that exclusion from trading of the securities or shares is subsequently requested, this will be adopted with the formalities required by the applicable regulations.

(v) Increase the Bank's share capital by the amount necessary to cover the conversion commitments or requests, within the limits that, where applicable, are in force and available at any time, being authorized to declare the issue undersubscribed, where applicable, establishing the specifications of the Company shares to be issued to cover the conversion of the securities, and to redraft the corresponding article of the Company Bylaws.

If the issuance is convertible and callable, it may be established that the Company reserves the right to choose, at any given time and with the limits that, where applicable, are in force and available at all times, between the conversion of shares from the Company's new issue or an exchange for outstanding shares. It may also be decided that the delivery should include a combination of newly issued shares and outstanding shares, in full compliance with the equal treatment of all holders of securities that are converted and/or called on the same date.

(vi) Exclude, either fully or partially, the pre-emptive subscription rights of shareholders within the framework of a specific issuance, when the corporate interest so requires, complying, in all cases, with the legal requirements and limitations established for this purpose at any given time.

However, notwithstanding compliance with any other legal limitations established for this purpose at any given time, the power to exclude pre-emptive subscription rights will be limited, such that the nominal value of any share capital increases resolved or effectively carried out to cover the conversion of the issuances in use of this authority (without prejudice to anti-dilution adjustments) with the exclusion of pre-emptive subscription rights and any others likewise resolved or carried out with the exclusion of pre-emptive subscription rights in use of the authority delegated under this General Meeting's agenda item four, does not exceed the overall maximum nominal value of 10% of the Bank's share capital at the time of this authorization.

Two.- To confer authority on the Board of Directors, in the broadest terms, to exercise the authorization contained in the first resolution above and to carry out any actions, procedures, requests or applications that may be necessary or advisable for the effectiveness of the authorization, authorizing the Board of Directors to delegate to the Executive Committee (with the power to subdelegate in turn); to the Chairman of the Board of Directors; to the Chief Executive Officer; or to any other director, and to empower, in the broadest terms, any Company proxy.

Proposed Resolutions Under Agenda Item Six of the Annual General Shareholders' Meeting of Banco Bilbao Vizcaya Argentaria, S.A. to be Held on 18 March 2022

One.- To authorize derivative acquisition by Banco Bilbao Vizcaya Argentaria, S.A. (the “Company” or “BBVA”), directly or via any of its subsidiaries, for a maximum term of five (5) years as of the date on which this resolution is approved, of BBVA shares at any time and on as many occasions as it deems appropriate, by any means permitted by law, including charging the acquisition to the year's profits and/or unrestricted reserves, all pursuant to the applicable legislation, and to subsequently dispose of the shares acquired by any means permitted by law.

The derivative acquisition of BBVA shares will be subject to the conditions established under applicable legislation, under any external or internal regulation applicable at any time, and under any restrictions that may be applied by any competent authority. In this respect, the nominal value of the treasury stock acquired, directly or indirectly, under this authorization, when added to the treasury stock already held by the Company and its subsidiaries at any time, will at no time exceed ten per cent (10%) of the subscribed share capital of BBVA (or any other lower limit established by the legislation applicable at any time).

Moreover, the acquisition price of BBVA shares will be subject to the condition that this must not be below its nominal value or ten per cent (10%) higher than the listing price or any other price associated with the shares at the time of acquisition.

Authorization is expressly granted for the treasury shares acquired by the Company or any of its subsidiaries hereunder to be partially or totally set aside for workers or directors of the Company or its subsidiaries, either directly or as a result of exercising any option rights that they may hold.

This authorization, as from the time it has been approved, replaces and renders null and void that granted by the Annual General Shareholders’ Meeting of the Company held on 16 March 2018, in agenda item three.

Two.- To confer authority on the Board of Directors, in the broadest terms, to exercise the authorization contained in the previous resolution and to carry out any actions, procedures, requests or applications that may be necessary or advisable for the effectiveness of the authorization, authorizing the Board of Directors to subdelegate such authority to the Executive Committee, with express power to delegate this in turn; to the Chairman of the Board of Directors; to the Chief Executive Officer; or to any other director; and to empower, in the broadest terms, any Company proxy.

(the “Company” or “BBVA”) by up to a maximum amount of 10% of the share capital on the date of this resolution (this is, by up to a maximum nominal amount of THREE HUNDRED AND TWENTY-SIX MILLION, SEVEN HUNDRED AND TWENTY-SIX THOUSAND, FOUR HUNDRED AND FORTY-TWO EUROS AND FORTY-TWO EURO CENTS (EUR 326,726,442.42), corresponding to SIX HUNDRED AND SIXTY-SIX MILLION, SEVEN HUNDRED AND EIGHTY-EIGHT THOUSAND, SIX HUNDRED AND FIFTY-EIGHT (666,788,658) shares with a nominal value of FORTY-NINE EURO CENTS (EUR 0.49), subject to obtaining, where appropriate, the corresponding regulatory authorizations, through the redemption of own shares acquired derivatively by BBVA, both those acquired by virtue of the authorization granted by the BBVA General Shareholders’ Meeting held on 16 March 2018 under item three of the agenda, and those that may be acquired by virtue of the authorization, if appropriate, granted by this General Shareholders’ Meeting under item six of the agenda, through any mechanism whose objective or purpose is redemption, all in compliance with the provisions of the legislation or regulations in force, as well as with any limitations that any competent authorities may establish. The implementation period of this resolution will end on the date of the next Annual General Shareholders’ Meeting, being rendered null and void from that date in respect of the amount not executed.

The final figure for the share capital reduction will be set by the Board of Directors, within the maximum amount referred to above, based on the final number of shares that are purchased and that the Board of Directors decides to redeem in line with the delegation of powers approved below.

The share capital reduction does not involve the repayment of shareholder contributions as the Company itself holds the shares to be redeemed, and the share capital reduction will be recorded as a charge to unrestricted reserves by provision of a restricted reserve for redeemed share capital in the amount equal to the nominal value of the shares redeemed, which may be disposed of only under the same requirements as those stipulated for the share capital reduction, as provided for in Article 335 c) of the Corporate Enterprises Act, by which the Company's creditors will not be entitled to exercise their right of opposition set forth in Article 334 of the Corporate Enterprises Act.

Chief Executive Officer; and to any other person to whom the Board explicitly grants powers to this effect, in order to totally or partially execute the aforementioned share capital reduction, on one or more occasions, within the established timeframe and in the manner it deems most appropriate, with the power to, in particular and without limitation:

(i) Determine the number of shares to be redeemed in each execution, deciding whether or not to execute the resolution in whole or in part if no own shares are finally repurchased for the purpose of being redeemed or if, having been repurchased for that purpose, (a) they have not been purchased, on one or more occasions, in a sufficient number to reach 10% of the share capital limit on the date of this resolution; or (b) market conditions, Company circumstances or any event of social or economic importance make it advisable for reasons of corporate interest or prevent its execution; notifying of this decision in any case to the next Annual General Shareholders’ Meeting.

(ii) Declare closed each of the executions of the share capital reduction finally agreed, setting, as appropriate, the final number of shares to be redeemed in each execution and, therefore, the amount by which the Company's share capital must be reduced in each execution, in accordance with the limits established in this resolution.

(iii) Redraft the article of the Bylaws governing the share capital so that it reflects the new share capital figure and the number of outstanding shares after each approved share capital reduction.

(iv) Request, as appropriate, the delisting of the shares to be redeemed by virtue of this delegation in official or unofficial, regulated or unregulated, organized or not, domestic or foreign secondary markets, taking such steps and actions as may be necessary or advisable for this purpose before the relevant public and/or private bodies, including any action, declaration or management before any competent authority in any jurisdiction, including, but not limited to, the United States of America for the delisting of the shares represented by ADSs (American Depositary Shares).

(v) Execute all public and/or private documents, and to enter into as many acts, legal transactions, contracts, declarations and operations that may be necessary or advisable to carry out each execution of the approved share capital reduction.

(vi) Publish as many announcements as may be necessary or appropriate regarding the share capital reduction and each of its executions, and carry out any actions required for the effective redemption of the shares referred to in this resolution.

(vii) Set the terms and conditions of the reduction in any matters not provided in this resolution, as well as to carry out any procedures and formalities required to obtain the consents and authorizations required for the effectiveness of this resolution.
